Basic Crime Prevention Through Environmental Design

Harrah's Las Vegas

3475 Las Vegas Boulevard South, Las Vegas, NV 89109

April 17-19, 2012

Benefits of Attending

Cities and Counties throughout the country are adopting CPTED ordinances requiring site plan reviews with crime prevention in mind. Law enforcement officers who are specially trained in CPTED are now working closely with Planners, Architects, City Officials, and Educators to ensure the proper design of structures, schools, and neighborhoods. Participants will learn how the design and use of the environment can control human / criminal behavior and reduce the fear of crime. They will learn crime prevention through natural means. How natural access control and natural surveillance decrease the opportunity for crime. Participants will learn the different aspects of lighting and its effects on human behavior. Participants will work together on a site survey and provide a group presentation of their results utilizing CPTED strategies. They will learn the advantages of having a CPTED ordinance and how to construct and present it to lawmakers.

INSTRUCTOR

Art Hushen is the President of the NICP, Inc. Art was assigned to the Tampa Police Department's Special Operations Bureau / CPTED Section where he retired from in 2006. He was instrumental in the creation of the Department's CPTED Unit and Tampa's first CPTED Ordinance for the Westshore Business District, which is the largest Business District in Florida. He implemented the CPTED review process for the Tampa Parks Department Greenways and Trails Master Plan, which include over 80 miles of trails. He worked with the Tampa Housing Authority on their Hope VI program and was part of the task force implementing the design guidelines. He completed the CPTED review process for the West Tampa Overlay District and the Tampa Lighting Initiative. Art also completed the City of Tampa's Downtown Security Guideline requirements under the Mayor of Tampa's Downtown Initiative

Art received his Crime Prevention Practitioner Certification and CPTED Designation through the Florida Crime Prevention Training Institute where he assisted in the creation of the Advanced CPTED program and the State standards for the CPTED Designation. He is an instructor for the Florida Attorney General's Office specializing in Basic and Advanced CPTED, CPTED in Schools, and CPTED and Critical Infrastructure. He is an Instructor for Fox Valley Technical College and the American Crime Prevention Institute specializing in CPTED. Art is recognized as a Crime Prevention Specialist through the International Society of Crime Prevention Practitioners and holds a Bachelor of Arts degree in Criminology from the University of South Florida.

Art is a Director of the United States Designing Out Crime Association, Board Member of the International Society of Crime Prevention Practitioners, Chairman of the Florida Design Out Crime Association (FLDOCA), and Past Board Member of the International CPTED Association (ICA). He is a member of the American Planning Association (APA).
